2018-01 Turf Maintenance Services: Eric W. Auer Killingworth Recreational Park

ADDENDUM #1

Questions as of 5/22/18

1. Do you happen to have the estimated project value, a start date and any union requirements regarding this project? Also, are these the only set of documents available for this project?

No estimate has been provided for the project value.

Start date is immediately after contract is in place, around July 2.

All documents are available on the town website. IF any further documents are produced, they will appear as addenda on the website.

2. Does the Killingworth recreational park have an irrigation system?

Yes. All fields are irrigated.
