

# TRANSFER STATION

## New Rules

### During COVID-19 Emergency

In order to keep the Transfer Station open without risking the spread of the coronavirus, we will be operating with new rules, starting immediately:

- Masks are required upon entering the Transfer Station
- While you are inside the Transfer Station, maintain at least a 6-foot distance between yourself and anyone else.
- A limited number of vehicles will be allowed into the Transfer Station at a time.
- If a line of vehicles is waiting to enter, we will direct vehicles into the parking area by Rocco Reale field rather than letting traffic back up onto Route 81.

Please limit yourself to one trip to the Transfer Station per week. Do not go to the Transfer Station at all if you are sick. Your vehicle must display a red or green dump sticker, and the usual rules apply:

**Construction Debris:** Homeowners with more substantial amounts of construction debris must leave a message at Town Hall (860-663-1765) and obtain permission to deposit the debris at the Town Garage. Plan ahead; we may not be able to give you permission on the day you call.
