**Public Hearing Regarding Killingworth Charter Revision Commission:**

The Board of Selectmen held a Public Hearing regarding the Killingworth Charter Revision Commission regarding a procedural defect that existed in the Timeline of the current Charter Revision Process. The draft Charter Amendment was not approved by the Timeline set forth by State Statute thereby missing the deadline by 2 days. The Board of Selectmen and the Charter Revision Commission went through the procedure again and adhered to the necessary timeline and activities. The Charter Revision Commission was reestablished and conducted two Public Hearings, this public hearing tonight is the last of the required activities. There were no changes made to the draft Charter Report dated June 8, 2023. Members of the public were given an opportunity to speak, but none addressed the Board for comments during the hearing.

Therefore, First Selectman Gorski closed the Public Hearing at approximately 6:44 p.m.

Respectfully Submitted,

Jamie Sciascia  
Clerk
