

**ADDENDUM NO. 4**  
**9/20/2023**

**TOWN OF KILLINGWORTH, CT**  
**PROPOSED CONSTRUCTION OF BASEBALL/ MULTI-PURPOSE FIELD-PHASE II**  
**ERIC AUER PARK**

Looking for some clarification on frame and wire color for the backstop and fence. Seeing mixed reviews on green and galv. also, is the backstop mesh stopping at 12' or are they looking to go 18' with mesh behind the overhang (roof)?

**Color of backstop: Green frame and wire**

**Backstop mesh: Backstop mesh will go to 18' (behind overhang)**
