. Also present: Enforcement Officer Leo Bombalicki

Members absent: D. Cutillo, C. Reimers

Visitors: Jason Nemergut, Michael Desnoyers

MINUTES

T. Doyle moved, seconded by C. Plum, to approve the minutes of the September 12, 2023 IWWC meeting and its continuation on September 17, 2023. Doyle, Plum and Pizzuto voted in favor. The motion carried.

OLD BUSINESS

Matthew Mille permit application (#W 13-23) to change the existing overhead electrical service to underground service, 258 Chestnut Hill Road

After a brief review of the project, T. Doyle moved, seconded by C. Plum to approve the application as submitted. Doyle, Plum and Pizzuto voted in favor. There were no dissenting votes. The motion carried.

Michael and Kirsten Desnoyers permit application (#W 14-23) for construction of a single family residence with supporting utilities, 225 North Parker Hill Road

Professional Engineer Jason Nemergut reviewed the proposal for new construction and utilities. A site walk was conducted on September 17th and no wetland concerns were expressed. *T. Doyle moved, seconded by C. Plum, to approve the application as submitted. Doyle, Plum and Pizzuto voted in favor. There were no dissenting votes. The motion carried.*

NEW BUSINESS

2024 IWWC meeting schedule

There was a consensus of the members present that the current meeting schedule would continue. Regular commission meetings will be held on the second Tuesday of each month. The meetings will be held at the Emergency Operations Center (323 Route 81), beginning at 7:00 pm.

Permit application for 147 Roast Meat Hill Road for change of existing building foundation (added to the agenda by vote of at least 2/3 of the members present and voting)

T. Doyle made a motion to add this item to the agenda under New Business. The motion was seconded by C. Plum. Doyle, Plum, and Pizzuto voted in favor. There were no dissenting votes. The motion carried. Chairman G. Johnson said he had spoken last week to the gentleman who would like to change the current foundation of the house that has been torn down. A new house will be built on the site but a larger foundation footprint is requested. Enforcement Officer L. Bombalicki added that it was his understanding that the original foundation is not stable enough to remain as the foundation for a new structure. It is anticipated that members will vote on the application at the November meeting.
