6. Old Business

- * Public program proposals as mentioned above under Education Projects.

A. Stephanie proposed a public event about Bears – Bear Reality by Felicia Ortner - Felicia Ortner, a Connecticut Master Wildlife Conservationist (MWC) and a bear enthusiast, will provide education about bears and help dispel misunderstandings. The state's wildlife division support that the black bear is seldom aggressive toward humans. – propose to have her come on a Thursday evening at 7pm for a program. Alec motions for this to move forward, Katie seconds. All in favor.

B. Katie proposed to host the Energy in Action Mobile Exhibition. It is free. Alec motions to have the Exhibit in Killingworth. All in favor. The location was discussed and the Dump is preferred if there is not a baseball game. However, the Town Hall parking lot would suffice.

C. Katie proposed to rehabilitate a Town-owned lot. Stephanie says this lot is for sale by the Town. KCC members are not covered to rehab this land. Other town organizations can perform preventative maintenance. Alternatively, it could be converted to open space. Discussion suggested with the First Selectman.

D. Alec is considering inviting Gail Reynolds to give another talk. There was discussion about attendance and cost.
