MOTOR VEHICLE ASSESSMENT APPEALS

There will be a Special Meeting of the Board of Assessment Appeals on

SATURDAY, SEPTEMBER 26TH at 6:30AM

at Killingworth Town Hall for the sole purpose of hearing appeals related to assessments of **MOTOR VEHICLES** on the **October 1, 2025** Grand List (July 2026 tax bills).

No advanced appointments, walk-in only. Appeals will be heard in order of arrival.

Appellants must appear in person (or designate an agent, in writing), as per CGS §12-113.

► IMPORTANT ◄

Due to recent changes in State Statutes, motor vehicle taxation is no longer based on current market value; vehicles are now assessed based on MSRP without consideration to factors such as high mileage or condition.

→ One can appeal only the MSRP used to assess the motor vehicle. ←

What to bring to your hearing:

1) Your July 2026 motor vehicle tax bill;
2) Documentation to support the MSRP of your motor vehicle. *

*Any evidence you bring to your hearing will become the property of the Board – you should retain copies for your own records. Copies will not be made at the time of your hearing.

What happens next: An Action Letter with the Board's decision will be sent to you within one week of the decision.

IF YOU ARE UNABLE TO ATTEND the September 26, 2026 meeting, contact the Assessor's office immediately. It may be possible for the Board to arrange additional meetings for hearings made by appointment, but sufficient time is required to satisfy statutory notice requirements.

Please call the Assessor's Office at (860)663-1765 Ext.506 with any questions.
